[Online-Selektion \(Gast-Login\)](#)

### Userbase

The screenshot shows a web form titled "Userbase Login". It contains two input fields: "User ID" with the text "beispiel" and "Password" with masked characters. Below the fields is a "Logon" button. A mouse cursor is pointing at the button. At the bottom of the form, there is a note: "(TAB after password for quick login without use of mouse)".

Depending on your authorization we offer you various options: company information, selection, Buying intentions, new persons & companies, download target group and options.

### Userbase

#### Company Information

View company data, persons and material

#### Selection

Select and export company data

#### Buying intentions

Search and export buying intentions

#### New persons & companies

Search for newly added data

#### Download Target Group

Full export of your target group database

#### Options

Administration of your password and download options

Information. Knowledge. **Results.**
